

Worthy Women Recovery Home Love Beyond Measure Sponsorships

What do we need most? We need monthly income that we can count on. That's the absolute most important thing that will create the security and confidence we need to add more staff and continue what we are doing. Will you please, personally, consider being a monthly sponsor?

Monthly sponsorships of **\$10** or **\$20** a month are hugely appreciated! Sponsors at the **\$50/month** level receive a free ticket to our annual dinner in November. We **APPRECIATE** everything we receive. We impact each woman, her family, her children

and our community with each resident who becomes part of Worthy Women Recovery Home family.

We have volunteers who are a *tremendous* help, but we need financial predictability to be able to hire the quality staff that can handle our growth to 14 residents 24 hours a day/7 days a week.

Will you please consider becoming a **Love Beyond Measure** monthly sponsor right now?
